

ASX / Media Release

Pivotal Systems Confirms No Direct Exposure to Silicon Valley Bank

Fremont, California and Sydney, Australia; 13 March 2023 – Pivotal Systems Corporation (“Pivotal” or the “Company”) (ASX: PVS), a leading provider of innovative gas flow control (GFC) solutions to the semiconductor industry, today confirms the Company has no direct cash exposure to the Silicon Valley Bank (SVB) collapse.

SVB was closed on 10 March 2023 (U.S. Pacific time) by the California Department of Financial Protection and Innovation, which appointed the Federal Deposit Insurance Corporation as receiver.

The Company is assessing any potential impacts on its customers, however, these customers represent some of the largest equipment manufacturers and integrated device manufacturers across the globe and therefore it is highly unlikely any material impact on Pivotal’s revenues and cash receipts will eventuate.

THIS RELEASE DATED 13 MARCH 2023 HAS BEEN AUTHORISED FOR LODGEMENT TO ASX BY RON WARRINGTON CFO OF PIVOTAL SYSTEMS.

In addition, forward-looking statements are subject to certain risks and uncertainties that could cause actual results, events, and developments to differ materially from our historical experience and our present expectations or projections.

Notice to U.S. persons: restriction on purchasing CDIs

Pivotal Systems is incorporated in the State of Delaware and its securities have not been registered under the U.S. Securities Act of 1933 or the laws of any state or other jurisdiction in the United States. Trading of Pivotal Systems' CHESS Depositary Interests (CDIs) on the Australian Securities Exchange is not subject to the registration requirements of the U.S. Securities Act in reliance on Regulation S under the U.S. Securities Act and a related 'no action' letter issued by the U.S. Securities and Exchange Commission to the ASX in 2000. As a result, the CDIs are "restricted securities" (as defined in Rule 144 under the U.S. Securities Act) and may not be sold or otherwise transferred except in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act. For instance, U.S. persons who are qualified institutional buyers ("QIBs", as defined in Rule 144A under the U.S. Securities Act) may purchase CDIs in reliance on the exemption from registration provided by Rule 144A. To enforce the transfer restrictions, the CDIs bear a FOR Financial Product designation on the ASX. This designation restricts CDIs from being purchased by U.S. persons except those who are QIBs. In addition, hedging transactions with regard to the CDIs may only be conducted in compliance with the U.S. Securities Act.
