**Notice to U.S. persons: restriction on purchasing CDIs**

Pivotal Systems is incorporated in the State of Delaware and its securities have not been registered under the U.S. Securities Act of 1933 or the laws of any state or other jurisdiction in the United States. Trading of Pivotal Systems' CHESSE Depository Interests ("CDIs") on the Australian Securities Exchange is not subject to the registration requirements of the U.S. Securities Act in reliance on Regulation S under the U.S. Securities Act and a related 'no action' letter issued by the U.S. Securities and Exchange Commission to the ASX in 2000. As a result, the CDIs are "restricted securities" (as defined in Rule 144 under the U.S. Securities Act) and may not be sold or otherwise transferred except in transactions exempt from, or not subject to, the registration requirements of the U.S. Securities Act. For instance, U.S. persons who are qualified institutional buyers ("QIBs", as defined in Rule 144A under the U.S. Securities Act) may purchase CDIs in reliance on the exemption from registration provided by Rule 144A. To enforce the transfer restrictions, the CDIs bear a FOR Financial Product designation on the ASX. This designation restricts CDIs from being purchased by U.S. persons except those who are QIBs. In addition, hedging transactions with regard to the CDIs may only be conducted in compliance with the U.S. Securities Act.
